Hey! Look us over. Do you approve? We are the Seniors, and we're on the move. Waving our banners of red and blue, oh Villa Montemar we'll be forever true to you.

Because we came here with honor, with honor we will leave, our years at OLP will make good memories. And when we leave our pride will not fall - for when we leave we'll know we really haven't left at all.

Because we've got the spirit that always will last, never be put down - never be surpassed. For we are the best 'til our years are done and always we will be "The Class of 71."
